On Tuesday 6th September 2016

9.30 -16.00 beginning at St Leonard's Church (M24 6DJ)

Volunteers are invited to begin this fascinating survey of the graffiti, carpenter's marks, protective symbols and taper burns made by our ancestors in Middleton Parish Church, the Old Grammar School and the Olde Boar's Head. Full training will be given by NW Historic Graffiti before starting the survey. Later events may be organised at other historic buildings.

To book your free place, please email chairman.mas@live.co.uk

Or phone Cliff Ivers on 07740 351814

A free buffet lunch will be available for the first 10 volunteers.

Try to bring along a torch, black pen and clipboard and your phone or camera to take pictures. If any amateur photographers would like to get involved please get in touch.

The examples on this notice were recently taken from the cluster buildings.
